## Typical Product Specifications & Properties

# 1,3-Propanedithiol, 2-(mercaptomethyl)-2-methyl-, cyclic phosphorotetrathioate (1:1)

CAS Number: : 17118-79-5

| Specifications     | Limits                                                                                                                                                                                                  |
