## Typical Product Specifications & Properties

# 1H-Pyrazole-4-carbonitrile, 5-amino-1-(2,4-difluorophenyl)-3-methyl-

CAS Number: : 1020057-92-4

| Specifications     | Limits                                                                                                                                                                                     |
