## Typical Product Specifications & Properties

# 2,4(1H,3H)-Pyrimidinedione, dihydro-5,5-dibutyl-6-thioxo-

CAS Number: : 1153077-35-0

| Specifications     | Limits                                                                                                                                                                           |
