

Typical Product Specifications & Properties

4-Methylumbelliferyl-N-Acetyl-B-D-Galactosaminide

CAS Number: : 36476-29-6

| Specifications | Limits |
|---------------------|----------------|
| Molecular weight | 379.36 |
| EINECS | 253-052-3 |
| Storage Temperature | -20°C |
| Melting Point | 190-192 °C |
