## Typical Product Specifications & Properties

# Cyclopentanecarboxylic acid, 5-oxo-2,3-diphenyl-, cyclohexyl ester

CAS Number: : 898757-50-1

| Specifications     | Limits                                                                                                                                                                           |
