## Typical Product Specifications & Properties

# D-Valine, N-[(9H-fluoren-9-ylmethoxy)carbonyl]-3-methyl-

CAS Number: : 198543-64-5

| Specifications     | Limits                                                                                                                                                                 |
