Section 2. Hazards Identification

Classification of the substance or mixture

Not regulated as a hazardous substance or mixture

GHS Label Elements

Pictograms: N/A

Signal word: N/A

Hazard and precautionary statements

None

Chemical Characterization: Natural Product

Description: Brown

Dangerous Component: No

Hazard Description: Not applicable

Information pertaining to particular dangers for man and environment: Not applicable

Classification System: The classification was made according to the latest editions of the EU-lists, and expanded upon from company and literature data.

Section 3. Composition / Information on Ingredients

Common Name Pomegranate Peel Extract

Section 4. First Aid Measures

General Information

Inhalation: Supply fresh air; consult doctor in case of complaints

Skin contact: Generally the product does not irritate skin.

Eye contact: Rinse opened for several minutes under.

Ingestion: If symptoms persist consult doctor.

Section 5. Firefighting Measures

Suitable Extinguishing Agents: CO₂, extinguishing powder, or water spray. Fight larger fires with water spray of alcohol resistant foam.

Protective equipment: No special measures required.

Section 6. Accidental Release Measures

Measures for environmental protection: No special measures required

Measures for cleaning/collection: Pick up mechanically avoiding causing a stir.

Additional information: No dangerous substances are released.

Section 7. Handling and Storage

Information for safe handling: N/A

Information about protection against explosions and firms: No special measures required

Storage requirements to be met by storerooms and receptacles: Keep container dry.

Information about storage in one common storage facility: Not required.

Further information about storage conditions: None

Storage Class: No special requirement

Section 8. Exposure Controls / Personal Protection

Additional information about design of technical systems: No further data; see item 7.

Components with limit values that require monitoring at the workplace: The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

Additional information: The lists that were valid during the creation were used as basis.

Personal Protective Equipment: Not required

Protection of Hands: Not required

Eye Protection: Not required

Section 9. Physical and Chemical Properties

Form: Fine powder

Odor: Characteristic

Moisture: Not more than 5%

Section 10. Stability and Reactivity

Thermal decomposition/conditions to be avoided: No decomposition if used according to specifications.

Dangerous reactions: No dangerous reactions known.

Dangerous products of decomposition: No dangerous decomposition products known.

Section 11. Toxicological Information

Acute toxicity: None

Primary irritant effect: None

On the skin: No irritant effect on the skin. The inhalation of powder can irritate the respiratory tract.

On the eye: No irritant effect.

Sensitization: No sensitizing effects known.

Additional toxicological information: The product is not subject to classification according to the calculation method of the General EU Classification Guidelines of preparations as issued in the latest version: When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

Section 12. Ecological Information

General Notes: Not known to be hazardous to water

Section 13. Disposal Considerations

Waste Treatment Methods: Dispose of product and contaminated packaging in accordance with all local, state, and federal environmental control regulations.

Section 14. Transport Information

Not regulated for transportation

Section 15. Regulatory Information

Non-hazardous substance. Do not mix with water, oil, corrosive chemicals. It should be prevented against moisture and sunshine.

Section 16. Other Information

Disclaimer: The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
